

West London U10 Football Club

Year One Cost Guide & Savings Opportunities

Verified planning document — July 2026

**One volunteer coach · One team · 10–12 players · Weekly training ·
Weekend league**

League and County FA costs use the **average of published West London-area U10 league fees** (£175 league layer + £30 affiliation/PA insurance ≈ £205 budget line). All totals are recalculated from line items.

1. West London U10 league join costs (research)

To join competitive grassroots football you pay your **County FA** (team affiliation and mandatory personal accident cover) and your **league** (entry, subscription, deposits, and sometimes per-player registration). Parent fees charged by existing clubs are not the same as these club-to-league costs.

League (U10 / west London area)	Team cost	Notes
Ealing & District YFL (EEYF)	£55	£15 club subscription + £50 U8–U10 team fee
Middlesex Youth Football League	£420	£50 entry + £150 subscription + £100 deposit + £10 × 12 players
Surrey Primary League (U9–U10)	£400	£40 team fee (players included)
Average used in this guide is £175		Mean of the three published samples above

County FA layer (planning): about £30 per youth team — Middlesex FA youth team fee £12 + basic PA cover ~£17; London FA youth team ~£12.50 + bronze PA ~£15 (2023/24–2024/25 published rates). **Combined admin line in the budget:** £205 (rounded from £205). Public liability insurance remains a separate £200 line — leagues require it but it is not part of league entry.

2. Planning assumptions

- One U10 squad of 10–12 players, one volunteer head coach, no paid coaching staff.
- 40 weekly training sessions; ~20 home league matches.
- Competing in a West London or adjacent Middlesex / Surrey border league.
- Parent subscriptions fund the team unless sponsorship or grants are secured.

3. Full-specification year-one budget

8. Recommendations

- Confirm exact league and County FA invoices before publishing parent fees.
- Do not cut: safeguarding, insurance, safe pitch, and adequate footballs.
- Secure kit sponsorship before placing kit orders.
- Treat £7,535 as the “everything included” ceiling; target £5,400–£6,000 for a sensible first season.
